

MFJ-384

Amplified Communications Speaker

General Information and Operating Instructions

Thank you for purchasing the MFJ-384 Amplified Communications Speaker. The MFJ-384 is a self-contained, portable amplified communications speaker that gives you powerful audio with its built-in power amplifier. Please read this page in its entirety prior to operation of the MFJ-384.

POWER REQUIREMENTS:

The MFJ-384 can be powered by two 1.5volt C size batteries or by an external power adaptor. The power adaptor should have an output of 6 Vdc and polarity with the center pin negative.

BATTERYRY INSTALLATION:

- Remove the battery cover.
- Insert two fresh 1.5 volt C size batteries according to the polarity marks inscribed inside the battery compartment.
- Replace the battery cover.
- The LED on the front of the MFJ-384 will be dimly lit when the power switch is in the “OFF” position.
- The LED on the front of the MFJ-384 will be brightly lit when the power switch is in the “ON” position.

Operating Instructions

When you first open the MFJ-384, the audio input connector will be inside the battery compartment. Open the battery cover to release the audio input connector.

Operation as a Non-amplified Speaker

- Simply connect the 3.5mm audio input plug to the audio source.
- The power switch on the back of the MFJ-384 should be in the “OFF” position.
- When the MFJ-384 is operated in non-amplified mode, the “Volume” and “Tone” controls are inactive. The volume level should be adjusted from the audio source.

Operation as an Amplified Speaker

- Connect the 3.5mm audio input plug to the audio source.
- Turn power switch on the back of the MFJ-384 to the “ON” position.
- Adjust the “Volume” control to a suitable level. Turn the knob clockwise to increase the volume or counter-clockwise to decrease the volume.
- Adjust the “Tone” control to a suitable level. Turn the knob clockwise to increase the treble or counter-clockwise to increase the bass of the audio output.

Note: In amplified mode, it may be necessary to decrease the audio output from the signal soucre to prevent distortion.

12 MONTH LIMITED WARRANTY

MFJ Enterprises, Inc. warrants to the original owner of this product, if manufactured by MFJ Enterprises, Inc. and purchased from an authorized dealer or directly from MFJ Enterprises, Inc. to be free from defects in material and workmanship for a period of 12 months from date of purchase provided the following terms of this warranty are satisfied.

1. The purchaser must retain the dated proof-of-purchase (bill of sale, canceled check, credit card or money order receipt, etc.) describing the product to establish the validity of the warranty claim and submit the original or machine reproduction of such proof-of-purchase to MFJ Enterprises, Inc. at the time of warranty service. MFJ Enterprises, Inc. shall have the discretion to deny warranty without dated proof-of-purchase. Any evidence of alteration, erasure, or forgery shall be cause to void any and all warranty terms immediately.
2. MFJ Enterprises, Inc. agrees to repair or replace at MFJ's option without charge to the original owner any defective product under warranty, provided the product is returned postage prepaid to MFJ Enterprises, Inc. with a personal check, cashiers check, or money order for \$7.00 covering postage and handling.
3. MFJ Enterprises, Inc. will supply replacement parts free of charge for any MFJ product under warranty upon request. A dated proof-of-purchase and a \$5.00 personal check, cashiers check, or money order must be provided to cover postage and handling.
4. This warranty is NOT void for owners who attempt to repair defective units. Technical consultation is available by calling (662) 323-5869.
5. This warranty does not apply to kits sold by or manufactured by MFJ Enterprises, Inc.
6. Wired and tested PC board products are covered by this warranty provided only the wired and tested PC board product is returned. Wired and tested PC boards installed in the owner's cabinet or connected to switches, jacks, or cables, etc. sent to MFJ Enterprises, Inc. will be returned at the owner's expense unrepaired.
7. Under no circumstances is MFJ Enterprises, Inc. liable for consequential damages to person or property by the use of any MFJ products.
8. Out-of-warranty Service: MFJ Enterprises, Inc. will repair any out-of-warranty product provided the unit is shipped prepaid. All repaired units will be shipped COD to the owner. Repair charges will be added to the COD fee unless other arrangements are made.
9. This warranty is given in lieu of any other warranty expressed or implied.
10. MFJ Enterprises, Inc. reserves the right to make changes or improvements in design or manufacture without incurring any obligation to install such changes upon any of the products previously manufactured.

11. All MFJ products to be serviced in-warranty or out-of-warranty should be addressed to MFJ Enterprises, Inc., 300 Industrial Park Road, Starkville, Mississippi 39759, USA and must be accompanied by a letter describing the problem in detail along with a copy of your dated proof-of-purchase.
12. This warranty gives you specific rights, and you may also have other rights which vary from state to state.
